Channel Diagram (include bank&stream features, vegetation)

dry lowland marsh habitat, dead willows, lots of equisetum

lots of moose sign, tracks — sign of indecision trample.

large open area to the South w/grasses, ringed by willows; remains of large beaver pond that's dried up.

ok as catalogued, but add rearing

192-30-10100-20200

Dense timber throughout

old beaver pond systems inaccessible by air

visuals ok to here

Title 16 Violations seen in vicinity of B-11-2x and B-11-1x

Cape Yakataga

No outlet, barrier at present flows

No outlet

No outlet

No outlet

Sand/log barrier, no fish

No outlet

Sand/log barrier; no fish above.
