Comments: Provide any clarifying information, including number of fish observed, location of fish survey data, etc.

Extensive foot survey conducted 10/15, 18, 20/91 - See attached maps. Aerial videotaping on 7/2/91 + 10/21/91 along with groundwork provided info for stream re-routing and coastline changes. Area north + east of Claybuff Point is a series of interconnected lakes. These have not been surveyed to date. Sortyard area contains extensive coho rearing habitat and could have an area (polygon) protection.

Attach a copy of a map showing location of mouth and upper points of each species, specific stream reaches identified for spawning or rearing, locations of barriers, such as falls. Attach a copy of the fish survey data, if available.

SUBJECT: Polygon Nomination
for Anadromous
Waters Catalog
and Atlas

Attached is a nomination for a polygon associated with the sort yard area at the mouth of Carson Creek, near Icy Cape. The area has numerous small channels in which anadromous fish have been documented by the ADF&G. Additionally, the area is still undergoing geological and hydrological changes; many of the channels have changed since the U.S. Geological Survey maps were revised in 1983.

We would like this polygon added to the 1992 revision of the Atlas and Catalog. We plan to further delineate this polygon with an inset at a larger scale for the 1993 revision. Time constraints prohibit us from doing so this year.

Please review the nomination and return it with your decision as soon as possible. Thank you.

FRANK,

YOU WILL BE RECEIVING A NOMINATION PACKAGE FOR AN ELIPSE AT THE ICY CAPE SORT YARD. YOU SHOULD RECEIVE THIS SOMETIME TOMMORROW, 1/16/92.

I MADE A MISTAKE IN DELINEATING THE AREA FOR THE POLYGON. THIS IS ON THE FIRST MAP PAGE FOLLOWING THE NOMINATION FORM. THE POLYGON SHOULD BE MARKED AS SHOWN ON THE MAP ATTACHED TO THIS FAX MESSAGE AND INCLUDE THE SORT YARD AREA ONLY AS DENOTED ON MAPS "C" & "D" OF THE NOMINATION PACKAGE.

PLEASE REPLACE THE INCORRECT MAP WITH A COPY OF THE MAP ATTACHED TO THIS FAX.

SORRY FOR THE CONFUSION. THANKS
ED

PLEASE CALL IF YOU HAVE ANY QUESTIONS.
