Nomination for Waters
Important to Anadromous Fish

'94 PUBLIC REV. CHANGE

AWC Volume SE SC SW W AR IN USGS Quad SKAGWAY A-2

Anadromous Water Catalog Number of Waterway 115-32-10300-2002-3013-4007

Name of Waterway SAWMILL CREEK USGS name ✓ Local name ___

Addition ___ Deletion ___ Correction ✓ Backup Information ___

For Office Use

Nomination # 95-010	Regional Supervisor: Ed Weiss — Date: 9/28/94
Revision Year:	
Revision to: Atlas ___ Catalog ___ Both X	Drafted: J. Drove — Date: 10/3/94
Revision Code: A-1	

OBSERVATION INFORMATION

Species	Date(s) Observed	Spawning	Rearing	Migration	Anadromous
COHO	9-16-93		✓		✓

Provide any clarifying information, including number of fish observed, location of fish survey data, etc. Attach a copy of the fish survey data, if available. Attach a copy of a map showing location of mouth and upper points of each species, specific stream reaches identified for spawning or rearing, locations of barriers, such as falls.

Comments:

3 COHO WERE TRAPPED ABOUT 15 YDS SOUTH OF COMSTOCK Rd. NEAR THE INTERSECTION WITH "DITCH Rd." (SEE MAP LOT 6). THE UPPER LIMITS OF THIS CATALOGED STREAM SHOULD BE EXTENDED UPSTREAM AS SHOWN

OBSERVATION INFORMATION

Species	Date(s) Observed	Spawning	Rearing	Migration	Anadromous
COHO	9-16-93		✓		✓

IMPORTANT: Provide all supporting documentation that this water body is important for the spawning, rearing or migration of anadromous fish, including: number of fish and life stages observed; sampling methods, sampling duration and area sampled; copies of field notes; etc. Attach a copy of a map showing location of mouth and observed upper extent of each species, as well as any other information such as: specific stream reaches observed as spawning or rearing habitat; locations, types, and heights of any barriers; etc.

Comments: 3 COHO WERE TRAPPED ABOUT 15 YDS SOUTH OF COMSTOCK RD. NEAR INTERSECTION WITH "DITCH Rd." (SEE MAP, LOT 6). THE UPPER LIMITS OF THIS CATALOGED STREAM SHOULD BE EXTENDED UPSTREAM AS SHOWN.

Name of Observer (please print) KIP KERMODIAN

Sawmill Creek Survey

SITE A / walking downstream from Corner of ALLEN & COMSTOCK
FIRST COHO SIGHTED ~ 25 YDS Downstream from Confluence "A" (See MAP)

PHOTO #1 location of Coho
" #2 " " "
in "pool" above skunk cabbage in creek

Photo # 1 & #2 SHOT W my back against prominent Boulder associated w creek
Location too Shallow to trap

TRAPPED DOWN STREAM ~ 20 YDS behind Fenced yard (White 2 story Home, blue trim photo #3 TRAP Location 6 coho, 3 Dollies. another coho 6 yds below trap
captured coho by hand in pool 10 yds below trap site

TRAP #1

COHO SIZE CAUGHT | HAND | TRAP | TRAP

(2) O's

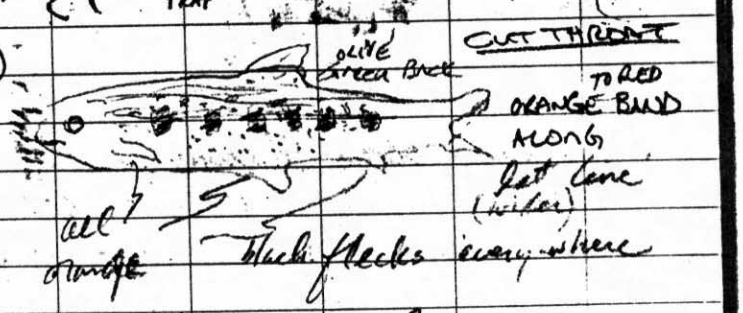

Photo #4 TRAP w fish
Photo #5 up stream from trap site
photo #6 Down Stream from trap site
THE STREAM APPEARS TO BE QUITE LOW W many marginal pools. Stream and pools holding numerous fish

SITE B / culvert #1 From Comstock Rd, creek cuts Lot 16. N. side of Rd creek continues onto Bob Henderson's property
photo #16 Lot 16 from Rd. photo #17 culvert on lot 16 trap site big coho
Photo # 7 creek looking S. w Cut in background on BANK of creek. Fish? seen this location
Photo #8 N. side of creek viewing cut To S. side of creek

9-16-93

Sawmill creek (cont'd)

Photo #9 Looking N.E.
Foreground: creek w fry (Dolly)
background: bank w flagging
+ cut timber (Lot 15?)

Creek forks ~ 25 yds above this site. "E. fork" to Henderson's "W FORK" is dry - again due to low water. W. Fork crosses Rd thru culvert to N side of Rd. pool of standing water at culvert - creek dry

culvert #2

culvert #3 Lot 13
TRAPPED! Coho 10 yds S. of Road. Photo # 10 see culvert (R) + "Lot 13" sign (L). photo # 11 culvert, creek + location of fry

culvert #4 @ Lot 12 creek dry

culvert #5 photo #12 From Rd. (survey stakes #17, #15 in creek)
LOT 10 shallow.

LOT #9 there is seepage come from the N. side of the Rd. The resident in the House across the street tells me there is good flo in the spring. it's slow & shallow now but otherwise looks suitable to support fry

culvert #6 Last intersection on comstock. Easement Rd. for development
Coho fry (3) 15 yds below Culvert, Lot 16
Smolt.
photo #13 creek, site of fry, truck on easement Rd (Street)
photo #14 from corner looking S. Crk to left of Rd. #15 from culvert on N. side of Rd.
