### MEMORANDUM

TO: J. Johnson  
Habitat Biologist

FROM: Michael Wiedmer  
Habitat Biologist  
Region V

DATE: November 1, 2006

SUBJECT: 2006 Nishlik Lake inlet nomination, Part 2

Attached is a Fish Distribution Database/Anadromous Waters Catalog (FDD/AWC) nomination for an inlet stream to Nishlik Lake. In 2006, our freshwater fish inventory (Wiedmer 2006) of the Nushagak/Mulchatna drainage yielded 1 visual observation of spawning sockeye salmon on this stream.

These sampling efforts support adding to the FDD/AWC spawning sockeye salmon (Figure 1).
