| | | |

Comments: Please provide any clarifying information in addition to identification on Anadromous Waters Catalog Public Review Maps.

Few Pinkies in outlet of west lake - too late in the season for good distribution they might well spawn on the lake shores + stream # 2015

* This form must be accompanied by 1:63,360 or 1:250,000 quadrangle or copy of quadrangle identifying known extent of species.
