Subject: stream 259-21-10120-2006-3050 in SWT

Hi J,

It looks like the two points touching on either side of the lake for stream 259-21-10120-2006-3050 in SWT should be changed to MIDE and MIDB instead of having two lowers and two uppers. I will fill out a correction form and save it for next year.

Thanks,
Thalassa
