

## OHMER CREEK TRIBUTARY 3 ADDITION

**Stream:** Ohmer Creek Tributary 3

**Watershed:** Ohmer Creek-Frontal Sumner Strait

**MTRS:** C061S081E, Petersburg C-3

**Date Surveyed:** June 4, 2013

**Findings:** This creek is an uncataloged tributary to Ohmer Creek. We caught coho salmon midway up the stream. The stream ends in a pond (Figures 1-3).

**Recommendations:** Add this stream to the Anadromous Waters Catalog.
