

**BLIND RIVER TRIBUTARY 11 ADDITION****Stream:** Blind River Tributary 11**Watershed:** Petersburg Creek-Frontal Wrangell Narrows**MTRS:** C061S081E, Petersburg C-3**Date Surveyed:** June 14, 2013

**Findings:** We surveyed this uncataloged tributary to Blind River (106-44-10240) with an electrofishing unit and caught coho salmon (Table 1, Figure 1). The gradient increased and flow decreased in the upper section of the creek. This upper section could be good rearing habitat if there was more water.

**Recommendations:** Add this stream to the Anadromous Waters Catalog.
