- (d) From the Homer City Dock, near the entrance to the Homer Boat Harbor, northwest along the east side of the Homer Spit to the department marker placed approximately 200 yards northwest of the entrance to the fishery enhancement lagoon on the Homer Spit, to a distance of 300 feet from the shore, snagging is permitted only from noon, Wednesday, June 29, through 11:59 p.m., Monday, July 4.

McKie Campbell,
Commissioner

By delegation to:

Nicole J. Szarzi
Area Management Biologist

JUSTIFICATION:

In 1988, the Alaska Board of Fisheries adopted a regulation whereby snagging would be permitted on and adjacent to the Homer Spit only after June 23 and only by emergency order. The department would issue an emergency order only if there were stocked salmon in the enhancement lagoon that could not be adequately harvested without snagging. These criteria have been met in that there are king salmon

available that will not be adequately harvested unless angler efficiency is increased. This emergency order therefore permits snagging on and adjacent to the Homer Spit beginning at noon, Wednesday, June 29 through 11:59 p.m. Monday, July 4.

DISTRIBUTION:

The distribution list for this emergency order is on file at the Region 2 Office of Alaska Department of Fish and Game, Division of Sport Fish, 333 Raspberry Road, Anchorage, AK 99518, (907) 267-2218.
