Effective Date: 12:01 a.m. Monday, July 29, 2013

Expiration Date: 11:59 p.m. August 31, 2013,
unless superseded by subsequent emergency order.

EXPLANATION:

This emergency order amends the schedule for the personal use dip net salmon fishery in the Chitina Subdistrict of the Upper Copper River for the period July 29 – August 31, 2013. The Chitina Subdistrict will be open from 12:01 a.m. Monday, July 29 until 11:59 p.m. Saturday, August 31. In addition, this emergency order establishes the weekly period from 12:01 a.m. Monday, July 29 until 11:59 p.m. Sunday, August 4 when a supplemental permit for 10 additional sockeye salmon will be valid for the personal use dip net salmon fishery in the Chitina Subdistrict of the Upper Copper River.

REGULATION:

Consistent with the COPPER RIVER PERSONAL USE DIP NET SALMON FISHERY MANAGEMENT PLAN, 5 AAC 77.591, the personal use dip net salmon fishery in the Chitina Subdistrict of the Upper Copper River District will be open from 12:01 a.m. Monday, July 29 through 11:59 p.m. Saturday, August 31. During the period from 12:01 a.m. Monday, July 29 through 11:59 p.m. Sunday, August 4 an additional 10 sockeye salmon may be harvested by a permit holder who has already harvested their original permit limit.

Cora Campbell
Commissioner

by delegation to:

Mark A. Somerville
Area Management Biologist

JUSTIFICATION:

Continued fish counts above anticipated past the Miles Lake sonar, projected sonar counts for the remainder of its operation, Copper River sockeye salmon migratory timing and the previous five-year average harvest and participation rates indicate sufficient numbers of salmon available to allow continuous fishing through August 31. During July 8 –14, there were 105,405 salmon counted past the Miles Lake sonar. The preseason projection for this period was 52,298 salmon, which results in a surplus of 53,107 salmon. An excess of more than 50,000 salmon above the preseason sonar projection for this period allows a supplemental harvest of 10 additional sockeye salmon, during the week of July 29 – August 4, for those permit holders who have already harvested their original permit limit.
