

STATE OF ALASKA
DEPARTMENT OF FISH AND GAME

P.O. BOX 115525
JUNEAU, ALASKA 99811-5525

Permit #: SF2008-085

Expires: 12/31/2008

Collections Report Due: 1/31/2009

FISH RESOURCE PERMIT
(For Scientific/Educational Purposes)

This permit authorizes Jim Petropulos (whose signature is required on page 2 for permit validation)
person
of Alaska Department of Transportation and Public Facilities at 6860 Glacier Hwy, Juneau, AK 99801-7999
organization address

to conduct the following activities from April 4, 2008 to December 31, 2008 in accordance with AS 16.05.930:

Purpose: To relocate fish that would otherwise die because of ADOT/PF construction and maintenance activities

Location: Throughout SE Alaska along the major city and village road systems.

Species Collected: Local species

Method of Capture: Minnow traps, beach seines, dip nets

Final Disposition: Collected resident fish must be released alive in a safe location near the capture site.
Invasive species collected must be killed and turned in (**Stipulation #6**)
≤ 5 fish per site may be sacrificed if necessary for identification purposes. They must be disposed of in a sanitary manner after identification.

-Continued on Back-

REPORT DUE January 31, 2009. The report shall include species, numbers, dates, and locations of collection (datum/GPS coordinates in the decimal degrees format (dd.ddddd)) and disposition, and if applicable, sex, age, and breeding condition, and lengths and weights of fish. *It must also include the date/time the local biologist was contacted for final authorization to carry out collecting activities. A completion report (abstract, background, methods, data, analysis), if not submitted with the collection report described above, must be submitted to the department by: Month/year.* Data from such reports are considered public information. The report shall also include other information as may be required under the permit stipulations section.

GENERAL CONDITIONS, EXCEPTIONS AND RESTRICTIONS

1. This permit must be carried by person(s) specified during approved activities who shall show it on request to persons authorized to enforce Alaska's fish and game laws. This permit is nontransferable and will be revoked or renewal denied by the Commissioner of Fish and Game if the permittee violates any of its conditions, exceptions or restrictions. No redelegation of authority may be allowed under this permit unless specifically noted.
2. No specimens taken under authority hereof may be sold or bartered. All specimens must be deposited in a public museum or a public scientific or educational institution unless otherwise stated herein. Subpermittees shall not retain possession of live animals or other specimens.
3. The permittee shall keep records of all activities conducted under authority of this permit, available for inspection at all reasonable hours upon request of any authorized state enforcement officer.
4. Permits will not be renewed until the department has received detailed reports, as specified above.
5. UNLESS SPECIFICALLY STATED HEREIN, THIS PERMIT DOES NOT AUTHORIZE the exportation of specimens or the taking of specimens in areas otherwise closed to hunting and fishing; without appropriate licenses required by state regulations; during closed seasons; or in any manner, by any means, at any time not permitted by those regulations.

Date

SF2008-085 continued (page 2 of 2)

Authorized Personnel: The following persons may perform collecting activities under terms of this permit:

**John Barnett, Mandy Bolshakoff, Jane Gendron, Amanda Luecker, Amy McLeod,
Carl Schrader, Ron Wyman, Reuben Yost**

Employees and volunteers under the direct supervision of, and in the presence of, one of the authorized personnel listed above may participate in collecting activities under terms of this permit.

Permit Stipulations:

- 1) The local Area Management Biologist, **Richard Chapell** (766-3638; richard.chapell@alaska.gov) Haines; **Doug Fleming** (772-5231; doug.fleming@alaska.gov) Petersburg; **Brian Glynn** (465-4318; brian.glynn@alaska.gov) Juneau; and **Steve McCurdy** (826-2498; steve.mccurdy@alaska.gov) POW Island; **Kelly Piazza** (225-2859; kelly.piazza@alaska.gov) Ketchikan; **To be named (784-3222)** Yakutat; **Troy Tydingco** (747-5355; troy.tydingco@alaska.gov) Sitka, must be notified prior to you engaging in any collecting activities. These biologists have the right to specify methods for collecting, as well as limiting the collections of any species by number, time and location
- 2) Any ADOT&PF plan for moving of fish on the **Craig/Klawock Highway** or other construction/maintenance sites in the **Prince of Wales Island area or Ketchikan** must be pre-approved by Alaska Department of Fish and Game staff on site or by **Steve McCurdy** (826-2498) on POW or **Kelly Reppert** (225-2859) in Ketchikan
- 3) Each piece of unattended sampling gear must be: 1) labeled with the permittee's name, telephone number, and permit number, 2) securely tied to substrate, 3) allowed to soak no more than twenty-four hours at a time, 4) located with GPS coordinates, and 5) accounted for/ removed at the conclusion of sampling.
- 4) Salmon eggs used as bait in traps must either be: sterilized commercial eggs or, if raw, be disinfected prior to use. A 10 minute soak in 1/100 Betadine solution or some other iodophor disinfectant is adequate.
- 5) Gloves (cotton, etc.), boots, and collecting gear should be disinfected between streams to reduce the potential of pathogen transmission. A wash/rinse in 1/100 Betadine solution is adequate.
- 6) If anadromous fish are found in permitted streams and rivers, the permit holder will work closely with ADF&G to see that information is included in the database for the *Catalog of Waters Important for Spawning, Rearing or Migration of Anadromous Fishes*. Anadromous fish include *Oncorhynchus spp.*, Arctic char, Dolly Varden, sheefish, smelts, lamprey, whitefish, and sturgeon. Please direct questions to J. Johnson, 267-2337 or j.johnson@alaska.gov
- 7) **Atlantic salmon** and other **non-native invasive aquatic species** encountered should be killed. Contact the nearest ADF&G office (**see Stipulation # 1**) immediately with species identification/description, capture/sighting location, number captured, size, and sex. Preserve/turn in the whole specimen to the nearest ADF&G office.
- 8) *A Title 41 Permit is required from Alaska Department of Natural Resources, Office of Habitat Management and Permitting, to place structures (weir, etc.) in streams.*
- 9) *A copy of this permit, including any amendments, must be made available at all field collection sites and project sites for inspection upon request by a representative of the department or a law enforcement officer.*
- 10) Issuance of this permit does not absolve the permittee from compliance in full with any and all other applicable federal, state, or local laws, regulations, or ordinances.
- 11) **A report of collecting activities**, referenced to this fish resource permit number, must be submitted to the Alaska Department of Fish and Game, Division of Sport Fish HQ, P.O. Box 115525, Juneau, AK 99811-5525, Attention: Bob Piorkowski (465-6109; Robert.Piorkowski@alaska.gov), within 30 days after the expiration of this permit. This report must summarize the number of fish captured by date, by location (provide GPS coordinates and datum), and by species, and the fate of those fish. Fish length, weight, sex, and age data should be included if collected. A completion report (abstract/background/methods /data/analysis), if not submitted with the collection report described above, must be submitted to the department within six months of the expiration of the permit. Data from such reports are considered public information. A report is required whether or not collecting activities were undertaken. A report should also be sent to the Biologist(s) listed under **Stipulation #1**.

PERMIT VALIDATION requires permittee's signature agreeing to abide by permit conditions before beginning collecting activities:

Signature of Permittee
