(type in the name and address of the organization with which you are under contract)

I am making application to capture fish of the following species and number for the specified disposition (example: identify and release, measure and release, genetic sample and release, tag and release, sacrifice, transport, hold alive, etc.):

Species Common Name	Species Scientific Name	Life Stage	Number	Disposition*
threespine stickleback	Gasterosteus aculeatus	juvs-ads	600/ lake, except Scout and Walby lakes	sacrifice
threespine stickleback	Gasterosteus aculeatus	juvs-ads	1000 each from Scout and Walby lakes	sacrifice
ninespine stickleback	Pungitius pungitius	juvs-ads	600/ lake, except Dog Bone Lake	sacrifice
ninespine stickleback	Pungitius pungitius	juvs-ads	1000 from Dog Bone Lake	sacrifice

*For multiple sample locations give detail of species and number and disposition in your study plan

I understand permits are only valid for dates within a calendar year; I am requesting this permit for the following period: (a new application is required each year)

2008	May 28	June 28
------	--------	---------

Year: (20__) **From:** (month and day) **To:** (month and day)

I wish to obtain the above fish [finfish, shellfish, amphibians] by means of:

minnow traps, dip nets and seine

(Specify gear type(s): minnow traps, hoop traps, fyke nets, gillnets, dip nets, spat collectors, etc.)

from the following location(s):

please see Study Plan for complete list of lakes in the Mat-Su Valley and Kenai Peninsula

(Specify location(s), i.e., X River at latitude/longitude, or ESE of Pt. Barrow, or on Kodiak Island, etc.)

The purpose of the activities for which a permit is being requested: (a brief purpose statement)

To study ecology and evolution of life history traits and host-parasite relationships of each species.
(this area and other boxes will expand as you type)

 **NOTE:** A **STUDY PLAN** or **RESEARCH PROPOSAL** explaining the purpose and need, the objectives, and the procedures you will use must be included in/with this permit application:

Please see Study Plan which is attached as a separate Word file.
(Study Plan)

Final disposition of collected specimens* not to be released live at the site of capture will be:

Tulane University, Clark University, Stony Brook University or other appropriate scientific depository
*(specimens may not be consumed, sold, traded, or bartered, or used in any commercial manner)

The following people will participate in field collections under terms of this requested permit:

David Heins		
Amanda Burr		

(If applicant is representing a corporation or institution, a certification of affiliation may be required which must be notarized and attached to this application).

(completed application must be submitted to):
