**Juneau**

DATE : **December 11, 1973**

FROM: **Rupe Andrews** *CEA*  
**Director**  
**Sport Fish Division**  
**Juneau**

SUBJECT: **Fish Creek - Tributary**  
**to Salmon River near Hyder**

We have received a complaint re Canadians taking chum salmon from the above stream (1) without appropriate non-resident licenses and (2) snagging high numbers. I would appreciate a fix on this situation before next summer along with any recommendations on how to handle the problem.
