101-80-95

10-10-75

Location 55° 58' 47"N

131° 24' 16"W

East shore of Anchor Pass
half way inside.

Quad: Ketchikan D-5

It looks as though this creek is subject to frequent and violent flooding. There is very little gravel and the gradient is steep.

Limited spawning and rearing area available.
