Season '57	8,500	3,000		Fair.
9/4/58	3,000			
1960		2,000		
9/14/60	6,000			
9/12/61	1,500			
9/27/61		500		
9/3/62	200	None seen		
8/26/63	1,400	"		
1964	None seen	"		
9/1/65	3,300	"		
8/23/66	46,000	"		

stream meanders on a 200-300' wide flat area between two steep slopes; the area is slightly braided with a large flood plain; moderately difficult walking due to the thick brush and downed trees. The stream continues in this fashion for at least 1/2 mile.
