Mr. Jim Dwyer
Electric Department Superintendent
City and Borough of Sitka
P.O. Box 79
Sitka, AK 99835

Dear Jim:

I understand the Blue Lake Dam is again overflowing so feel free to close the fish valve as required. If painting of the penstock continues after overflow ceases, keep me informed of daily shutoff periods.

Thank you.

Sincerely yours,

Artwin E. Schmidt
Fishery Biologist
Sport Fish Division
