<u>Stock Origin</u>	<u>Proposed Stocking Location</u>	
Speel Lake	Indian Lake System Approved 7/16/86	

Project summary - Summary statement of precisely what is being proposed.
 An incubation facility for sockeye is proposed for the Indian Lake System 35 miles southeast of Juneau. This FTP would provide for use of the Speel Lake sockeye as the donor stock for this study. Sockeye production would primarily benefit the Taku/Port Snettisham gillnet fishery.

For Department Use Only		
<input checked="" type="checkbox"/> <u>State Fish Transport Permit</u>	FTP Number <u>86J-1039</u>

5 AAC 41.005. PERMIT REQUIRED. (a) No person may transport, possess, export from the state, or release into the waters of the state, any live fish unless the person holds a fish transport permit issued by the Commissioner or his authorized designee.

The Fish Transport Permit (FTP) is the single document, approved by the Commissioner of Alaska Department of Fish and Game (ADF&G), that allows for movements of fish and eggs on an interstate and intrastate basis.
