

MEMORANDUM

State of Alaska

TO: Bob Wilbur
Aquaculture Harvest Coordinator
Division of Commercial Fisheries
Juneau

DATE: May 20, 1983

FILE NO:

TELEPHONE NO: 747-5355

FROM: Art Schmidt *AS*
Fishery Biologist
Division of Sport Fish
Department of Fish and Game
Sitka

SUBJECT: NSRAA Permit Alteration
for Lower Rostislat

I have no objection to the inclusion of Lower Rostislat Lake in the Coho Stocking Plan. I am particularly interested in the study of "interactions between the resident rainbow trout population and introduced coho." I would like to see a study plan and also the results when completed.
