

MEMORANDUM

State of Alaska

TO: John Vaughn
Dept. of Environmental Conservation

DATE : September 25, 1972

FROM: John Palmes

SUBJECT: Transfer of Salmon and Annex
Creek Hydro electric facilities
to A.E.L. & P.

The Alaska Department of Fish and Game has no objection to the subject transfer nor do we find any violation of applicable state laws in their present operation. We understand that the Salmon Creek reservoir was once slated to be developed as a recreation area in cooperation with A-J industries. We would welcome the fruition of that plan.

Sincerely,

John Palmes
