

MEMORANDUM

State of Alaska

TO: Roger D. Wadman
Regional Supervisor
Juneau

FILE NO:

DATE : January 20, 1970

FROM: Mike McHugh
Fishery Biologist
Juneau

SUBJECT: Swan Lake Oxygen

In accordance with your request for oxygen sampling at Swan Lake, Jim Mauney took some readings on January 19, with the following results:

<u>DEPTH IN FEET</u>	<u>OXYGEN PPM.</u>
1	9.3
10	4.9

No temperatures were taken, and the ice is marginal for walking at the present time, and things are warming up.
