**Bristol Bay Eastside Salmon Announcement # 05
Emergency Order 11**

This is the Alaska Department of Fish and Game in King Salmon with an announcement for Egegik subsistence fishermen and update for Egegik District commercial fishermen. The time is 12:00 noon and the date is Wednesday June 19, 2019.

In Egegik-Harvest from Monday's period was 49,000, through June 17 cumulative harvest is 63,000 fish. First day counts at the Egegik Escapement project were 4,200. The inriver test fish project is detecting steady passage into the river so escapement is occurring. The department wishes to evaluate the data before committing to the next commercial opportunity.

Subsistence fishing will be permitted in the Egegik District with 12:01 a.m. until 12:00 p.m. Thursday June 20 2019.....a 12-hour period.

The Ugashik District will remain closed.

Fishermen in all districts are reminded that all king salmon retained must be reported on a fish ticket, and that permit holders must sign fish tickets at time of delivery.

Egegik fishermen should not go dry and stand by at 12:00 p.m. Thursday June 20.

This has been the Alaska Dept. of Fish & Game in King Salmon.
