Advisory Announcement

For Immediate Release: October 4, 2020

COMMERCIAl SHRIMP POT FISHERY ANNOUNCEMENT
SECTIONS 10-A/B CLOSURE

Effort level and catch rates indicate that the 35,000-pound guideline harvest level for Sections 10-A/B will be reached by Tuesday, October 6. Therefore, sections 10-A/B commercial pot shrimp fishery will be closed effective 4:00 p.m., Tuesday, October 6, 2020.

All shrimp pot gear must be removed from the water or placed in storage by the time of this closure. Pots may be stored in the waters of Sections 10-A/B until 4:00 p.m., Tuesday, October 13, 2020. Stored pots must have all doors secured fully open and all bait and bait containers removed.

Shrimp tickets must be submitted to an Alaska Department of Fish and Game office within seven days of the closure. Fishermen are reminded that catcher/sellers that are intending to sell shrimp to persons unlicensed to process shrimp (i.e. dock sales) must fill out an ADF&G fish ticket indicating the weight of the shrimp on board by species before any shrimp are removed from the vessel [5 AAC 31.143. (d)].

All commercial shrimp fishermen are required to notify the department within two business days of deploying gear and within two business days after ceasing fishing in a district, or portion of a district, with a GHL.

The Emergency Order corresponding with this announcement is EO 1C2020.

Under Alaska’s Health Mandates 10, 17, and 18, commercial fishing is an Essential Business and is part of Alaska’s Essential Services and Critical Infrastructure. Commercial fishermen should ensure that all travel and other activities in support of commercial fishing operations follow protocols in Alaska COVID-19 Health Mandates. COVID-19 Health Mandates may be found here: https://gov.alaska.gov/home/covid19-healthmandates/.
