Until further notice, in that portion of the **Northwest Kodiak** and **Southwest Kodiak districts** south of the latitude of **Cape Kuliuk, Chinook (king) salmon 28 inches or greater in length** may not be retained by purse seine gear in the commercial fishery and must be returned to the water unharmed.

Other closed waters are as shown on the Kodiak Area Salmon Statistical Chart and detailed in the Commercial Salmon Fishing Regulations (5AAC 18.350). Statistical Charts, Harvest Strategies, and Commercial Salmon Fishing Regulations are available at the Kodiak Fish and Game office.
