Westside Salmon Announcement 9 **Emergency Order none**

This is the Alaska Department of Fish and Game in Dillingham with an update regarding commercial fishing in the Nushagak District. This is Westside Salmon Announcement number 9 issued Tuesday, June 21 at 8:00 p.m.

Wood River daily escapement is 17,028 through 2:00 p.m. today, for a cumulative of 107,082.

The sockeye salmon escapement rate in the Wood River is approximately 1,200 per hour. At this slow pace we feel it is better to hold off on commercial openings to allow for additional king and chum salmon escapement. The earliest possible drift gillnet opening will be 8:30 p.m., Wednesday, June 22. The earliest possible set gillnet opening at 7:30 p.m., Wednesday, June 22.

As previously announced, commercial fishing with set gillnets in the Igushik Section will open from 8:00 a.m. until 8:00 p.m. Wednesday, June 22.

Informational updates and announcements are available by calling our recorded message line at 842-5226. This has been the Alaska Department of Fish and Game in Dillingham.
