Prince William Sound Area Commercial Weathervane Scallop Season Closes Emergency Order 2-SF-E-09-22

The Prince William Sound Area (PWS) commercial weathervane scallop season will **close at 6:00 p.m. September 13.**

The PWS commercial weathervane scallop season in the **West Kayak (WKS) Subsection** opened on **July 1** with an 8,000 lb guideline harvest level (GHL). The East Kayak Subsection (EKS) was closed for the 2022/23 season. Inseason harvest information indicates the WKS GHL will be achieved at the time of the closure and, therefore, the PWS scallop fishery will close for the season.
