**COMMERCIAL SHRIMP POT FISHERY ANNOUNCEMENT**  
**SECTIONS 11-A/B/C (11-REMAINDER) CLOSURE**

The commercial shrimp pot fishery in Sections 11-A/B/C will close at 4:00 p.m., Friday, June 2, 2023. Effort and catch rates indicate the 4,000-pound guideline harvest level (GHL) will be reached by the time of the closure.

All shrimp pot gear must be removed from the water or placed in storage by the time of this closure. Pots may be stored in the waters of the closure area until 4:00 p.m., Friday, June 9, 2023. Stored pots must have all doors secured fully open and all bait and bait containers removed.

Shrimp tickets must be submitted to an Alaska Department of Fish and Game office within seven days of the closure. Fishermen are reminded that catcher–sellers intending to sell shrimp to persons unlicensed to process shrimp (i.e. dock sales) must fill out an ADF&G fish ticket indicating the weight of the shrimp on board by species before any shrimp are removed from the vessel [5 AAC 31.143. (d)].

All commercial shrimp fishermen are required to notify the department within 2 business days of deploying gear and within 2 business days after ceasing fishing in a district, or portion of a district, with a GHL.

The Emergency Order corresponding with this announcement is EO 1C2423.
