COMMERCIAL SHRIMP POT FISHERY ANNOUNCEMENT
DISTRICT 16 CLOSURE

The District 16 shrimp pot fishery will close at 4:00 p.m., Saturday, June 17, 2023. Effort and catch rates indicate the 12,000-pound guideline harvest level (GHL) will be reached by the time of the closure.

All shrimp pot gear must be removed from the water or placed in storage by the time of this closure. Pots may be stored in District 16 until 4:00 p.m., Saturday, June 24, 2023. Stored pots must have all doors secured fully open and all bait and bait containers removed.

Shrimp tickets must be submitted to an Alaska Department of Fish and Game (ADF&G) office within 7 days of the closure. Fishermen are reminded that catcher-sellers intending to sell shrimp to persons unlicensed to process shrimp (i.e. dock sales) must fill out an ADF&G fish ticket indicating the weight of the shrimp on board by species before any shrimp are removed from the vessel (5 AAC 31.143. [d]).

All commercial shrimp fishermen are required to notify ADF&G within 2 business days of deploying gear and within 2 business days after ceasing fishing in a district, or portion of a district, with a GHL.

The Emergency Order corresponding with this announcement is EO 1C2723.
