UPPER COOK INLET COMMERCIAL FISHING ANNOUNCEMENT No. 15
EMERGENCY ORDER NUMBER 2-F-H-18-24

Commercial salmon fishing with set gillnets in the Northern District will be open from 7:00 a.m. until 3:00 p.m. Thursday, July 4, 2024. This commercial fishing period is being reduced from 12 hours to 8 hours due to Chinook salmon projections of escapement for Northern Cook Inlet streams indicating that escapement goals may not be met.

General Information for all UCI commercial fisheries and specifics about harvest levels, required permits, reporting requirements, or the registration processes, can be obtained by calling the Soldotna ADF&G staff at 907-262-9368, and also found at the ADF&G UCI commercial fisheries web site. <https://www.adfg.alaska.gov/index.cfm?adfg=commercialbyareauci.main>
