### **Chignik Commercial Salmon Fishery Update #07**

The Alaska Department of Fish and Game in Chignik is requesting quotes (bids) to charter one purse seine vessel for salmon test fishing within the Chignik Lagoon. The charter involves up to four weekly events in July, with a minimum of three standard purse seine sets throughout the lagoon. Test fishing will occur the day before any fishery openings within the Chignik Bay District.

Quotes will be based on a percentage of the dock value. The max bid will be up to 80% of the dock value.

Verbal or written bids must be submitted by **5:00 p.m. Monday, June 30**, and will be immediately awarded to the lowest bidder. Fish and Game reserves the right to reject any or all quotes. In the case of equal, low bids, the bid submitted first will be the winning bid. Fishing will occur only at times and locations set by ADF&G in collaboration with the selected contractor.

If you are interested in finding out how to bid on this quote or would like to obtain further details, please contact:
