Westside Salmon Announcement 13 **Emergency Order 11**

This is the Alaska Department of Fish and Game in Dillingham with an announcement regarding commercial fishing in the Nushagak District. This is Westside Salmon Announcement number 13 issued Wednesday, June 25 at 3:00 p.m.

The Nushagak River king salmon escapement was 1,478 yesterday, for a cumulative of 17,705. The sockeye salmon escapement was 112,000 yesterday for a cumulative of 1.6 million, the 10:00 a.m. count this morning was 39,000. The Wood River sockeye salmon daily escapement was 106,000 yesterday and was 28,000 through 6:00 a.m. today for a cumulative of 933,000. There are currently 629 boats registered to fish in the Nushagak District. We need to surpass 1.1 million escapement in the Wood River before we can consider opening the WRSWA.

The opening in progress for both set and drift gillnets will be extended until 12:30 a.m. Thursday, June 26. To provide additional opportunity for king salmon escapement we will take off the night tide. Commercial fishing in the Nushagak Section of the Nushagak District will open to commercial fishing with set gillnets from 1:00 p.m. until 9:00 p.m. Thursday, June 26. Commercial fishing with drift gillnets will open in the Nushagak District from 2:30 p.m. until 9:00 p.m. Thursday, June 26. Processors and tenders please use stat code 325-00 for Nushagak District drift openings.
