UPPER COOK INLET SUBSISTENCE FISHING ANNOUNCEMENT No. 2 EMERGENCY ORDER NUMBER 2-F-H-17-26

Subsistence fishing in the Tyonek Subdistrict will be open on Fridays and Saturdays from 6:00 a.m. until 6:00 p.m. effective on Friday, July 17, through October 15, 2026, unless modified by emergency order.

Inseason abundance information indicates Northern Cook Inlet sockeye salmon stocks are returning near forecasted levels. This additional subsistence fishing period is intended to provide additional opportunity on abundant sockeye salmon to meet subsistence needs.

Subsistence fishermen must obtain a Tyonek Subdistrict Subsistence Salmon Fishery permit and have it in their possession while harvesting salmon under subsistence regulations. Information regarding salmon fishery announcements may be obtained by calling ADF&G in Soldotna at 907-420-7740 or 907-262-9683.
