Emergency Order 26**

This is the Alaska Department of Fish and Game in Dillingham with an announcement regarding commercial fishing in the Nushagak District. This is Westside salmon announcement number 22 issued Monday, July 1 at 12:30 p.m.

The areas closed in response to the sinking of the tender in the Igushik River are reopened effectively immediately. Fishermen should still be conscious of the situation and be on the lookout for any changes in conditions. Although there does not appear to be an immediate threat of contamination fishermen should be vigilant for any change in the current situation.
