Sand Point Commercial Salmon Fishery Announcement # 19
For Emergency Order #4-FS-M-SP-20-14

Commercial salmon fishing in the Unimak, Southwestern, South Central, and Southeastern districts will be allowed from 9:00 a.m. Monday, September 22 until 8:00 p.m. Wednesday, September 24, 2014.

All closed waters in the above locations will be as described in the regulation book or as adjusted by emergency order.

Fishery participants are encouraged to ensure that they have a secure market before harvesting salmon. Fisherman with a secured market for their catch that are interested in additional fishing periods in 2014 should contact South Alaska Peninsula management staff in Kodiak (486-1830).

Statistical charts and harvest strategies are available at the Sand Point, Cold Bay, and Port Moller Fish and Game offices. Commercial salmon fishing regulations, commercial harvest, escapement, and news releases can be found on the ADF&G website at:
