Fall Announcement # 43, Reminder: Return 2015 Salmon Fishing Permits  
Districts Affected: Yukon Area**

Yukon Area salmon fishing permits expired on October 15 and are due back to the ADF&G Fairbanks office **by October 25** for the following permit areas:

Please be aware, it is your responsibility to make sure accurate daily harvest is recorded and permits are returned on time. For permit holders who fail to meet the permit requirements after contact efforts by the department, the Alaska Wildlife Troopers will be notified. These permit holders may also be denied a subsistence and personal use permit next year. Subsistence and Personal Use harvest information is needed to accurately document the 2015 season harvest. Fishery managers use this information when making decisions regarding future subsistence and personal use fishing opportunities. Your cooperation is greatly appreciated.
