This is the Alaska Department of Fish and Game in Dillingham with an announcement regarding subsistence fishing in the Nushagak District. This is Westside salmon announcement number 1 issued Friday, May 26 at 12:00 noon.

By regulation, subsistence fishing in the commercial fishing district will close at midnight on May 31. Subsistence fishing will reopen by emergency order June 1, at 12:00 a.m. and remain open until further notice. This announcement pertains to the commercial fishing district only; subsistence fishing on the Dillingham beaches is not affected by this announcement.

Commercial fishermen are also reminded that District Registration Cards must be filled out and filed with the department before they begin drift gillnet fishing anywhere in Bristol Bay or set gillnet fishing in the Nushagak District. District registration cards may be obtained at the Anchorage, King Salmon or Dillingham offices or downloaded from the internet. Cards may be returned by mail or in person.

Commercial fishing in the Togiak District opens June 1 according to the regular weekly schedules.
