ALASKA DEPARTMENT OF FISH AND GAME

Under Authority of AS 16.05.060

EXPLANATION:

This emergency order closes the resident and nonresident goat hunting seasons in the area bounded by the White Pass and Yukon Railroad on the west side, the East Fork of the Skagway River on the south side, and the Canadian border to the north and east side in Game Management Unit 1(D). 1 goat by registration permit only.

Acting Area Management Biologist
JUSTIFICATION:

A guideline harvest objective of 1-2 points (male goats=1 point, female goats=2 points) was established by ADF&G for the area described above. As of Friday, September 26, 2014 one female goat had been harvested for a total of 2 points. Due to the vulnerability of goats in this area to overharvesting the department conducted an aerial survey on September 24, 2013 that resulted in few goats observed (21 adults, 4 kids). Due to the low number of goats observed, the decision was made to limit the harvest to just 1-2 points in this area. Because the guideline harvest level has been reached and any additional harvest may be detrimental to the sustainability of this population of goats, an emergency order has been issued to close the mountain goat hunting season in this area.
