Expiration Date: 30 June 2019  
(unless superseded by a subsequent

### EXPLANATION:

This emergency order closes the resident and nonresident goat hunting seasons in the area bounded by the White Pass and Yukon Railroad on the west side, the East Fork of the Skagway River on the south side, and the Canadian border to the north and east side in Game Management Unit 1(D). Unit and Bag Limit	Resident Open Season (Subsistence and General Hunts)	Nonresident Open Season
(1) ...		
Unit 1(D), the area bounded by the White Pass and Yukon Railroad on the west side, the East Fork of the Skagway River on the south side, and the Canadian border to the north and east side.	Sept. 15–Sept. 26 (General hunt only)	Sept. 15–Sept. 26

1 goat by registration permit only.

....

The remainder of Unit 1D mountain goat seasons, other than those previously closed by emergency order, are not affected by this emergency order.

Sam Cotten  
Commissioner

By delegation to:   
Carl H. Koch  
Asst. Area Management Biologist

JUSTIFICATION:

Based on the results of a 2016 aerial survey (46 adults, 9 kids) a guideline harvest objective of 1-2 points (male goats=1 point, female goats=2 points) was established by ADF&G for the area described above. As of Tuesday, September 25, 2018 two male mountain goats have been harvested for a total of 2 points. Because the guideline harvest level has been reached and any additional harvest may be detrimental to the sustainability of this population of goats, an emergency order has been issued to close the mountain goat hunting season in this area.
