Douglas Vincent-Lang
Commissioner
By delegation to:
Roy Churchwell
Area Management

JUSTIFICATION:
The seasonal goat points available in the South Tracy area this year were 9 points (billy = 1 point; nanny = 2 points). As of Friday, November 19, 2021, all of the available points have been harvested in this area. The area will be closed by E.O. taking effect at 11:59 pm, Saturday, November 20, 2021. The last aerial survey of this area was conducted two years ago due to poor survey conditions during the following years. At that time there were 104 adults and 20 kids observed. In order to help preserve this area for future goat hunting opportunities, this hunt will be closed at this time.
