JUSTIFICATION:

The moose population in the Goodnews river hunt area is estimated between 450-500 moose. There was a 30 day season in September, but the quota of 45 antlered bulls was not achieved. This extended season provides additional opportunity for hunters to harvest a moose. Hunters are asked to report their harvest within 36 hours to the Bethel ADF&G office (907) 543-2839 or (907) 543-2457. Hunters that have already harvested a moose during this regulatory year (after July 1, 2022) are not eligible to participate in this hunt. Unsuccessful hunters and hunters that did not hunt need to report by October 31, 2022.
