Permits Available for GMU 22 Alaska Brown Bear and Moose Hunts

(Nome) – Surplus drawing permits for brown bear and moose hunts in Northwest Alaska are still available on a first come-first served basis to hunters whose faxed, mailed, emailed or in-person applications are received at the Nome ADF&G office. Applications will continue to be accepted until all permits are issued.

Regulations approved by the Board of Game allow ADF&G to issue undersubscribed permits at the discretion of hunt managers.

To receive a permit, applicants must submit a completed Undersubscribed Hunt Application by fax, by mail, by email or in person to the Nome ADF&G office. Applications are available from the Division of Wildlife Conservation web-site or from DWC offices. Hunters are limited to 1 application per hunt. Agents may not submit applications on behalf of a hunter.

Emailed applications will be accepted at dfg.dwc.gmu22@alaska.gov

Specific information for these hunts can be found in the 2022-2023 Alaska Drawing Permit Hunt Supplement available at ADF&G offices, or online at www.hunt.alaska.gov. Hunters can go directly to http://www.adfg.alaska.gov/index.cfm?adfg=huntlicense.undersubscribed to access the Undersubscribed Hunt Application and the Drawing Permit Hunt Supplement which fully describes hunt conditions.
