

In addition to the general permit conditions listed on and issued with the 2022 *Southeast Alaska Subsistence and Personal Use Salmon Fishing Permit*, the following permit conditions apply to the Sitka Management area. Please review all permit conditions and guidelines. If you have any questions, please contact the Alaska Department of Fish and Game Sitka office at (907) 747-6688.

1. In the Sitka Management area, subsistence fishing areas for **pink, chum, coho, and Chinook salmon** include all waters of District 13, Section 9-A north of 56°25.60' N lat (Swaine Point), and Section 12-A along the Baranof and Catherine Island shorelines north of 57°14.75' N lat (Point Caution).
2. In the Sitka Management area, subsistence fishing areas for **sockeye salmon** include Section 13-A on Yakobi Island north of Surge Bay Light and south of the latitude of Cape Edward, Section 13-B north of the latitude of Redfish Cape, Section 13-C, Section 9-A north of the latitude of Swaine Point, and Section 12-A along the Baranof and Catherine Island shorelines north of the latitude of Point Caution.
3. Streams crossing the Sitka road system are closed to subsistence and personal use fishing for chum and coho salmon.
4. Only dip net, gaff, spear, and cast net may be used in fresh water.
5. Pink salmon may be harvested in fresh water from July 15–August 31.
6. Indian River is closed to subsistence and personal use fishing downstream of the Sawmill Creek Road bridge.
7. Falls Lake marine waters are closed off the stream mouth as indicated by regulatory markers and Gut Bay marine waters are closed south of 56°42.37' N lat. The season at Falls Lake has been divided into two open periods June 1–July 13 and July 23–August 15, unless closed by emergency order. Open dates are shown in the table on page 2.
8. In Redoubt Bay south of 56°54.71' N lat, authorized gear includes: gaff, spear, dip net, and hook and line attached to a rod or pole. Snagging of salmon may only occur seaward of ADF&G regulatory markers located approximately 100 yards from the base of the falls.
9. In Redoubt Bay, seine and drift gillnet gear may be used in all areas open to commercial fishing.
10. In Silver Bay (Salmon Lake), authorized gear includes: dip net, gaff, spear, hand-operated purse seine, and beach seine. Hand-operated purse seine and beach seine gear is prohibited south of a line from 56°59.22' N lat, 135°09.03' W long to 56°58.98' N lat, 135°08.18' W long, as defined by regulatory markers. Gillnets are prohibited at all times.
11. Redoubt Bay limits and season dates are subject to change around July 15.
12. The household annual limit of 40 coho salmon is in aggregate regardless of any combination of streams.
13. The possession limit for Chinook salmon harvested incidentally in the subsistence and personal use fishery is 2 fish.
14. The possession limit for coho salmon harvested incidentally while personal use fishing is 6 fish.
