INSTRUCTIONS FOR COMPLETING THIS COLLECTION REPORT FORM

1. **License Year:** Enter the license year of the licenses you are reporting (for example, 2010 or 2011 licenses). Licenses for each license year **must** be reported on a **separate** report form.
2. **Vendor Number:** Enter your four digit vendor number.
- 3/4. **First and Last Day of Report Period:** Enter the two digit month (MM) the two digit day (DD) and the 4 digit year (YYYY) of the FIRST and LAST days of the report period in the appropriate boxes. For example, a January 2011 report would look like this:

First Day of Report Period	0	1	0	1	2	0	1	1
-------------------------------	---	---	---	---	---	---	---	---

Last Day of Report Period	0	1	3	1	2	0	1	1
------------------------------	---	---	---	---	---	---	---	---

Report periods should begin on the first day of the month and end on the last day of the month. In all cases, report periods must run consecutively. There should be no breaks in time.

5. Enter the total number of licenses and stamps by class.
6. Multiply the number of licenses or stamps in each class by the value of the license or stamps and enter the amount in column 6. Add the total value column to arrive at the gross value. Enter this amount on line 6.
7. Compute your commission as follows. Commission for this report is calculated at 5% (.05) of the gross license, stamp, or 25¢ per license—whichever is greater. The 25¢ commission rule applies to the class 1A-Resident Blind Sport Fishing License and the \$2.00 5B DUPLICATE license fee only. To figure your commission, subtract from your gross value (Line 6) the TOTAL dollar value of the class 1A and 5B duplicate license fee. This will give you your adjusted gross. Multiply the adjusted gross by 5%. (.05). To that amount, add 25¢ for EACH RESIDENT BLIND Sport Fishing, and DUPLICATE LICENSE fee you are reporting sold. This will give you your total commission. Enter this amount on line 7.
8. Enter the amount you are deducting for any postage and money order or bank draft fees on line 8. (You must be able to justify this amount when requested by the Department.)
9. Subtract your commission and postage fees (line 7 & 8) from the gross value (line 6) to get your subtotal (line 9).
10. Any adjustment for an overpayment or shortage from previous reporting **that you have been instructed to make** is entered here. An account shortage payment is added to the net due. An account credit payment is subtracted from the net due. If there is no adjustment, leave this line blank. Any amount shown, but not explained will not be deducted.
11. Enter your total remittance for this report only on line 11.
12. Finish the report by completing the Vendor Information Section as follows:
 - A. Enter date you are completing the report, phone number, vendor name, and mailing address.
 - B. List the beginning and ending license numbers of each sequence.
 - C. List all voided licenses.
13. Keep Page 3 of this report for your records. Mail in Pages 1 and 2 with your licenses and money order/check. The amount due all reports for the month may be combined so that only one check needs to be written.
