Dear Applicant:

State regulations (5 AAC 75.014(b)) provide for the sale of mounted sport-caught fish by a court appointed or duly authorized estate executor in a probate action, or by a referee or trustee in a bankruptcy, under terms of a permit issued by the department. For estate sales, permits will be issued only while an estate is in probate. Permits are valid for one year. You may gift a mounted sport-caught fish to anyone at any time without a permit.

To facilitate the review and expedite processing of permit requests, the following items should be sent to this office as part of the permit application:

1. Completed application form (copy enclosed), including the full name of both the applicant (executor OR referee/trustee) and the deceased OR the individual filing for bankruptcy, the court, case number, and signature of the applicant. Please provide detailed descriptions of all sport-caught fish mounts, including species.
2. A photocopy of a Letter of Testamentary, Letter of Administration, or Letter of Appointment authorizing the applicant to distribute the assets of the estate OR a photocopy of a Notice of Bankruptcy Filing or Declaration of Bankruptcy Filing authorizing the applicant to distribute the assets of the bankruptcy.
3. Application materials may be submitted by email, fax, or regular mail.

If you have any questions regarding this matter, please contact Kercia Schroeder (ADF&G-DSF Permit Coordinator) at dfg.dsf.permitcoordinator@alaska.gov or (907) 465-8253.

Thank you.
