Which fish must be recorded? Each region and management area has different imits, seasons, and recording requirements. Species with an annual limit are listed in the region-specific Sport Fishing Regulations Summary booklets under the General Regulations section for each management area.
<b>Who is required to have this card?</b> A harvest record card is required for resident inglers under 18, nonresident anglers under 16, and PID/DAV licensed anglers.
Can I put someone else's fish on my card? No. Every angler must have their own arvest record card filled out with their information.
What happens if I don't have a card and/or record my fish? Anglers could be issued a itation for not recording a species with an annual limit or for failing to have a harvest ecord card in their possession. In addition, fish and fishing gear may be subject to orfeiture per Alaska statute.
<b>Do I turn this card in?</b> No. Carry this card with you when you are fishing and show it when requested by a peace officer or an ADF&G representative.
What happens if I lost a card? Simply get a new card. Remember by law, anglers are equired to transfer all harvest information from the lost card to a new card.
