

RC # 143

AMEND Proposal #176

And change opening guidelines while keeping 96 hour restrictions within a 7 day fishing period.

5AAC 09.360

July 1 – July 25th the Northwest Stepovak Management Plan

Beginning July 1,

(1) the fishing schedule in the Northwest Stepovak Section, excluding Orzinski Bay north of a line from Elephant Point at 55° 41.92'N. lat, 160° 03.20' W. long., to Waterfall Point at 55° 43.18N. lat., 160° 01.13' W. long., may not be more than four 24-hour fishing periods during a seven-day period.

In discussing this with ADF&G they expressed no opposition to this amendment. This gives ADF&G more flexibility in managing Northwest Stepovak.
