To Alaska Board of Fisheries

I am Dan Dunaway, secretary for the Nushagak AC.

I want to call your attention to a mistake I made in the minutes of the Nushagak AC we have submitted for this meeting.

Starting on Proposal 149 I accidentally transposed the supporting and opposing vote counts in the columns provided.

The records indicating if the AC Opposed or Supported a proposal are accurate but I put the Unanimous vote record in the "Support" Column when it should appear in the "Opposed" column.

I believe the comments for each proposal make our intent clear but I submit this AC to be clear.

Below is the proposal number where this occurred.

149 Opposed 0 support, unanimous vote to oppose  
152 Opposed 0 support, unanimous vote to oppose  
154 Opposed 0 support, unanimous vote to oppose  
157 Opposed 0 support, unanimous vote to oppose  
159 Opposed 0 support, unanimous vote to oppose  
162 Opposed 0 support, unanimous vote to oppose  
182 Opposed 0 support, unanimous vote to oppose  
183 Opposed 0 support, unanimous vote to oppose  
184 Opposed 0 support, unanimous vote to oppose.

I apologize for the confusion.

Thank you
