

RC 051

As the Author and Proponent of BOF Proposal 93:  
On: January 15<sup>th</sup>, 2016

I request that my proposal (93) to establish an In-River Goal of 95,000 Chinook be withdrawn from further consideration, provide:

The amendments to the Kuskokwim Salmon Management Plan discussed with the "Kuskokwim BOF Sub Committee" and the Department are accepted by the BOF. *Id in RC 38*

I wish to thank the Board and the Department, in particular the Kuskokwim Staff for their assistance and willingness to resolve this issue.

Regards,

/s/ Daniel D Gillikin
