

PROPOSAL 106 – 5 AAC 27.875. Description of Kuskokwim Area districts. Extend the Nelson Island herring fishing district from Atrnak Point toward Cape Vancouver, as follows:

5 AAC 27.875(c) is amended to read:

(c) The Nelson Island District consists of the waters north of the latitude of Chinigyak Cape (60° 27' N lat.) and east of the longitude of Arriat (approximately half a mile (1/2) east from Cape Vancouver and approximately 7–8 miles west of Umkumiut), [ATRNAK POINT (165° 15' W long.) (APPROXIMATELY TWO MILES WEST OF UMKUMIUT),] and all waters north of the latitude of Talurarevuk Point (60° 35' N lat.) and south of the latitude of the southernmost tip of Chinit Point (60° 36' N lat.) and east of the 165° 30' W long., and all waters of the latitude of the northernmost tip of Chinit Point (60° 37' N lat.) and south of the latitude of the southeastern most tip of KIgigak Island (60° 49' N lat.) and east of 165 of the°30' W long.

What is the issue you would like the board to address and why? Extend the line westward from Atrnak Point toward Cape Vancouver. Early on during the first opening of each openings most of the herrings are within the closed area between Atrnak Point and Cape Vancouver. The reason behind the extension is so that the fishermen would be able to take advantage of the herring with better roe content and less spawn outs.
