

**PROPOSAL 183 – 5 AAC 09.365. South Unimak and Shumagin Islands June Salmon Management Plan.** Modify the South Unimak and Shumagin Islands June Salmon Management Plan to stagger opening days for the drift and purse seine fisheries, as follows:

5 AAC 09.365 is amended to read:

...

(d)

(2)

(A) Beginning June 9 drift gillnet gear commercial fishing periods will begin at 6:00 a.m. and run 88 hours until 10:00 p.m. Three days later, commercial fishing will then close for 32 hours and reopen 6:00 a.m. two days later. The final June fishing period for drift gillnetting in June will be June 27 at 10:00 p.m.

(B) Beginning June 10th opening for the seine fleet will begin at 6:00 a.m. and run 88 hours until 10:00 p.m. Three days later, commercial fishing for the seine fleet will close for 32 hours and reopen at 6:00 a.m. Two days later. The final fishing period will end at 10:00 p.m. on June 28th for the seine fleet.

**What is the issue you would like the board to address and why?** During the June South Unimak and Shumigan Islands Fishery, stagger the openings for the seine and drift gillnet fleets. Staggering the opening date by one day, for the seine and drift fleets would give at least one day per week without gear conflicts between the drift and seine fleets. The scheduled amount of days would remain the same; the opening day would just change.

**PROPOSED BY:** Sand Point Fish and Game Advisory Committee
