Submitted by Bristol Bay Economic Development Corporation (BBEDC)

Proposal 27.

BBEDC submitted on time comments for the Bristol Bay finfish Alaska Board of Fisheries meeting in which we stated that we were NEUTRAL on Proposal 27. BBEDC remains NEUTRAL on this proposal.

However, BBEDC notes that the following Bristol Bay Fish and Game Advisory Committees were OPPOSED to Proposal 27: Nushagak AC; Iliamna AC; Naknek/Kvichak AC; Lower Bristol Bay AC.

Proposal 28.

BBEDC submitted on time comments for the Bristol Bay finfish Alaska Board of Fisheries meeting in which BBEDC expressed SUPPORT for Proposal 28. However, after observing the opposition by several Bristol Bay Fish and Game Advisory Committees, BBEDC changes its position to NEUTRAL on Proposal 28.

BBEDC notes that the following Bristol Bay Fish and Game Advisory Committees were OPPOSED to Proposal 28: Nushagak AC; Naknek/Kvichak AC; Lower Bristol Bay AC.

Proposals 59 and 63

BBEDC supports the BOF efforts to select criteria for Board that will be considered “...*when deliberating on proposals related to commercial set gillnet sites impacted by coastal erosion...*”

However, BBEDC remains NEUTRAL on both Proposal 59 and 63 because of the allocation aspects contained in both these proposals.
